We Read • We Listen • We Learn

NahlaWaNahil

Arabic Reading App

Join Nahla wa Nahil in their Arabic reading adventure!

Nahla Wa Nahil is a digital Arabic language leveled reading Application for kids in grades K-8.

Bilingual interface: Easily switch between Arabic and English languages.

“Clicking-on-the-word” feature: allows children to click and listen to the word several times separately, to aid in child’s fluency and, in turn, improve their reading level.

Gamification: Employment of gaming characteristics to enhance the reading and learning experience.

1000 Arabic eBooks from 30 leading publishers from the Arab world.

Hundreds of audio books have been produced and prepared by professional recording studios, and developed by adding beautiful sound effects that add an atmosphere of fun to the children's reading and learning experience.

Includes fiction & non-fiction content, classified by subject & publisher names.

Exercises and Activities: the child is provided with 4 exercises to complete: 2 electronic and 2 printable worksheets.
